THE VAN GARDENS
AMERICAN GROWN TULIP BULBS

FALL 1943

C. C. VAN VOORHIS

AND

R. E. WHEELER

KINGSTON

NEW JERSEY

PROSPECTIVE CUSTOMER: We are offering tulip bulbs of varieties which have proved very satisfactory for growing year after year in this country. We do not give illustrations, as they are rather expensive, and sometimes misleading, especially if in color. We pass the savings on to you in lower prices and liberal discounts. Because of conditions we have been unable to control completely there may be an occasional mottled or "broken" flower from our bulbs. Many people consider these variations more attractive than the pure variety.

THE PRICES GIVEN ARE FOR THE LARGEST SIZE BULBS PRODUCED BY THE VARIETY. THE SECOND SIZE (LARGE BEDDING SIZE) WHICH WILL PRODUCE VERY FINE FLOWERS AND WHICH MAY BE LEFT IN THE GROUND A YEAR LONGER BEFORE NEEDING TO BE TAKEN UP AND SEPARATED, WILL BE SUPPLIED AT THREE-FOURTHS THE LISTED PRICES. THIRD SIZE OR MEDIUM BULBS, NEARLY, IF NOT ALL OF WHICH WILL BLOOM THE FIRST YEAR, WILL BE SUPPLIED AT THREE-FIFTHS THE QUOTED PRICES. POSTAGE PREPAID ON CASH ORDERS OVER \$2.00.

DISCOUNTS. Because Mr. Wheeler is in the Army and I (Van Voorhis) must give more time to my regular work in Princeton University, we wish to sell a larger than usual portion of our blooming size stock, consequently we are offering the following attractive discounts: 5% off on orders between \$5.00 and \$10.00; 10% off between \$10.00 and \$20.00; 15% on orders over \$20.00. DISCOUNTS DO NOT APPLY TO SPECIALS.

Offers made subject to prior sale of stock. Please give some second choices unless we may substitute.

TRIUMPH TULIPS

This group is to the Tulip lover of today what the Darwins were a generation ago and are fast becoming the favorites of those who have seen them. They are larger, more sturdy, and very little shorter than the Darwins and bloom about a week earlier thus prolonging the season for taller Tulips. The double Triumphs are like Peonies. Plant a bed of Triumphs and have a magnificent show of Tulips earlier than the rest of the neighborhood.
